Yes. Technically, according to the contract, you always have until the 15th to get your invoice in, but the months in which your QER is due, you will need to have your QER approved before you can submit your invoice, because of the quarterly adjustment line.

Ok, so we don't need to send the invoice after the quarter by the 1st then? We send it with the QER by the 15th?

Thanks!

Hi Megan - I'm not seeing anything attached, but the last quarter ended March 31st, so your QER is due by April 15th, and your invoice will not be correct until you have your QER adjustment included, so the invoice you just tried to send is probably not correct.

Hi Emily,

Please see attached. Sorry again for being late! The QER isn't due until after April, yes?

Thanks!
Megan
